PARENTS OF ASCENSION LUTHERAN STUDENTS ("PALS")
Parents of Ascension Lutheran Students, or "PALS" is Ascension Lutheran’s parent volunteer organization. Those who volunteer support the school, students and parents by coordinating special programs that enhance and supplement the school’s educational and spiritual curriculum while promoting fellowship among families. The volunteers work under the supervision of the principal, teachers and the Ascension School Board. Every parent of an Ascension Lutheran student is a member of PALS.

SCHOOL VISION STATEMENT
Ascension Lutheran School is dedicated to nurturing each student, providing academic excellence and creating bold, compassionate leaders who inspire and serve others in their walk with Jesus Christ.

SCHOOL MISSION STATEMENT
The school’s mission is to provide academic excellence in a caring, Christian community. The educational and co-curricular programs strive to foster spiritual, intellectual, emotional, physical, and social development. These areas of development are reflected in the five areas of expected learning proficiencies for students of Ascension Lutheran School.

EXPECTED LEARNING PROFICIENCIES
Students of Ascension Lutheran School will be prepared to:

Be successful and effective communicators who . . .

- see advances in technology as a means to help themselves and others to solve problems in the world

**Be productive people who . . .**
• have personal and community goals and are able to share and work with others towards achieving those goals

• value the role of faith in their lives and apply it in their decision making process both now and in the future

Recognizing that learning is a life-long process of formal and informal experiences with the home, school and church, Ascension seeks to collaborate with parent and child to fully develop each child’s potential in a loving and nurturing environment. We believe maximum learning occurs when home and school work together to mutually support and reinforce Christian faith and values.

**PURPOSE OF HANDBOOK**
We are engaged in a cooperative effort to provide academic excellence in a caring Christian community for your child. This can only be accomplished through the cooperation of staff, parents and students working together.

This handbook is published to establish effective communication between the faculty, staff, parents and students of Ascension Lutheran School. It also serves as a behavior guideline on how we are committed to working, talking and playing together.

**ACCREDITATION**
Ascension Lutheran School is accredited by the Western Association of Schools and Colleges (“WASC”). Our rigorous curriculum strives to meet each student’s needs and abilities as it prepares them for their next academic and life steps.

**ADMINISTRATION**
Ascension Lutheran School is a ministry of Ascension Lutheran Church. Our Ascension Lutheran School Board reports to the Church Council. Our school ministry includes our Early Childhood and Infant Center, serving children ages 3 months to 4 years of age, and our School serving grades kindergarten through eighth.
The principal is responsible to the Ascension Lutheran School Board for the administration and interpretation of the policies established by the School Board. The principal is further charged with implementing the school curriculum as well as administering the day-to-day affairs of the school. The principal is also responsible for overseeing the Director of our Early Childhood and Infant Center.

Our school holds membership in the Evangelical Lutheran Education Association (ELEA), a national organization. The purposes of the Association are to deepen and extend professional competence, Christian commitment, and personal responsibility of Lutheran School personnel and to cooperate with the Division for Education of the Evangelical Lutheran Church of America in its program of assistance to Christian day schools.

Policies seminal to the administration of the school include the philosophy statement and the harassment and discipline policies. These documents, along with other School Board policies, shape the vision, goals and expectations for the staff, students, and families of Ascension Lutheran School.

A key to quality education is a well-qualified, dynamic, and professional staff. Teachers at Ascension Lutheran School maintain appropriate credentials and certification in their teaching field, and model a lifestyle that reflects a dynamic, growing relationship with Christ. The staff of Ascension School guides their classes in a spirit of love and discipline, while setting a strong Christian example.

Through the furthering of the school’s vision and mission, the family is strengthened, the community is enhanced and the Church is served. The School Board, the principal and the staff dedicate their time, talents and resources to this work.

**ENROLLMENT PROCEDURES**

Enrollment applications of new students for the next school year will be accepted beginning in November. A non-refundable fee is required with all new student applications. Students and their parents are required to interview with the school principal prior to acceptance. An achievement test is given to serve as a guide for placement along with reviewing standardized achievement scores, report cards, and discipline/attendance records from the previous school. Re-enrollment of current Ascension students for the following school year will begin in January.

Each child enrolled at Ascension is required to participate in the total school program unless enrolled in Ascension’s Home School Partnership program. If the school’s program does not reasonably meet the needs of certain individual children, parents may be asked to explore other educational settings.

A child must turn five years old by September 1st to enroll in Kindergarten. A copy of the birth certificate must be submitted with the application. Early admission may be granted based on the recommendation of the school admissions team after evaluation of the student seeking admission.

The school reserves the right to exclude any student for reasons of:
- poor academic achievement
- lack of self-discipline
- parent disagreement with the school over matters of academic standards and child discipline
- lack of cooperation with the school staff and administration
learning and behavioral needs that cannot be supported by the existing staff and programs. The school will not be required to implement new programs to accommodate specific learning needs.

FINANCIAL POLICY

**Tuition Payments:** Tuition was due for the upcoming school year on May 1, 2018 but may be paid in two or ten monthly increments.

**Tuition Assistance Data Services (“TADS”):** The School utilizes TADS to administer its billing and payment processes. Families establish an online TADS account and manage online their billing and payments utilizing such account. TADS will assess an annual administrative fee of $45 per family if the 10 payment plan option is selected. Please note TADS will assess fees for a payment not received within 10 days of the due date or a returned item.

**Voluntary Withdrawal after the Start of the School Year:** If families voluntarily withdraw a child from school after the payments for that year’s tuition begin, the family is responsible for the balance of the entire year’s tuition, the cost of books not returned or returned damaged, and any other fees owing as of the withdrawal date.

**Registration Fee is Non-Refundable:** The registration fee of $750.00 is non-refundable and non-transferable.

**Failure to Pay Timely:** The School reserves the right to deny attendance to any and all students of a family if such family’s total outstanding tuition and fees are not paid in a timely manner.

**NOTICE OF NONDISCRIMINATORY POLICY AS TO STUDENTS**
Ascension Lutheran School does not discriminate on the basis of sex, race, color, national and ethnic origin in administration of its educational policies, admissions policies, and athletic and other school administered programs.

**EXTENDED CARE**
Extended Care service is provided for children enrolled in transition kindergarten through eighth grade. The hours are Mondays 7:00-9:25 AM and 3:00-6:00 PM. **Late Start Monday**

Each Monday, faculty will use the first hour of the day for collaboration and professional development to continue to ensure we are providing the best possible educational opportunities and support to our students.

### Attendance Requirements

Regular attendance at school is vital for academic success. Regular attendance promotes not only academic achievement, but also a sense of responsibility, personal discipline and commitment to learning. A student missing class time also misses the intellectual sharing, group dynamics and opportunity to test out his or her ideas with peers and teachers.

- In the lower division (TK-4), attendance is taken twice daily – once in the morning and again in the afternoon.
- In the upper division (5-8), attendance is taken in each class period by each teacher.

Regular attendance is important for success in school. Excessive absenteeism will result in meeting with the principal.

*Excused absences*
- Medical appointments
- illness
➢ Bereavement
➢ Justified personal reason (may include but not limited to: court appearance, family emergency, and attendance at funeral)

Policy and Procedure Regarding Absences
➢ Parents must email or phone the school office at (805) 496-2419, prior to the start of school on the day a student is to be absent. Such policy allows the school to monitor the safe arrival of all students.
➢ Excessive absences
➢ Any absence may have a negative effect on grades as well as the benefits that the student will derive from their class(es). Excessive absences may lead to a failing grade for that grading period (Trimester).
➢ Parents should try to plan activities so as not to conflict with the school calendar.

Parent/Student Conference will be scheduled when:
➢ A student compiles excessive absences

Student Work
➢ All student work needing completion will be provided to the student upon the student’s return to school.
➢ It is important to remember that it is the student’s responsibility to check with his/her teacher(s) for this work upon their return to the classroom.
➢ Following a one (1) or two (2) day absence from school due to illness or medical condition, students will be provided one day for each day of absence to make up any missed class work or homework.
➢ Exams or quizzes given during a student’s absence may be adjusted or revised when given as “make-up work”, and will be scheduled by the teacher upon the student’s return to school.
➢ Teachers are not required to provide classwork and homework prior to a vacation or any absence not related to a medical extended absence.

Students Leaving Campus During the School Day
➢ The Parent is not permitted to go to the classroom for their student.
➢ The Parent must come to the school office to sign student out and student will be called to report to the office.
➢ Under no circumstances will a student be allowed to leave the school with any unauthorized person until permission and identification have been given in writing by the parent or guardian.
➢ LOWER DIVISION ONLY – GRADES TK-4, (A student absent for more than 30 minutes of the school day will be recorded as a half-a-day absent).
➢ An absence, excused or unexcused, is still recorded as an absence.

With respect to excessive absences, the administration reserves the right to determine penalties, sanctions, suspensions, probation and dismissal whenever such actions are deemed necessary or appropriate.

Morning Tardiness
Tardies disrupt the teaching and learning process
1. Students, who enter their class after the start time, are considered tardy.
2. The teacher will indicate to the student that they are tardy and the student will be required to obtain a tardy slip from the school office.
3. Cumulative tardy records for all classes will be monitored by the school office.
4. This includes all upper division students arriving late to any period of the school day.

Consequence for Upper Division (Gr. 5-8):
➢ Four (4) tardies the parent/guardian will be notified via a letter
➢ Six (6) or more tardies in a grading period (Trimester)
   A student will have a 45 minute detention with a fee of $15.00.
   The student may be excluded from extracurricular school activities.
➢ Ten (10) or more tardies in a grading period (Trimester)
   A student will have a 45 minute detention with a fee of $15.00 and will miss lunch recess for 5 days.
   The student may be excluded from extracurricular school activities.

If tardiness continues the parent/guardian may be asked to explain tardiness to the School Board.

Consequence for Lower Division (Gr.TK-4):
➢ Four (4) tardies the parent/guardian will be notified via a letter
➢ Six (6) or more tardies in a grading period (Trimester)
   A student will have morning or lunch recess detention for 1 days.
   The student will report to the playground and lunch supervisors to serve the detention.
➢ Ten (10) or more tardies in a grading period (Trimester)
   A student will have morning or lunch recess detention for 3 days.
   The student will report to the playground and lunch supervisors to serve the detention.

If tardiness continues the parent/guardian may be asked to explain tardiness to the School Board.

With respect to excessive tardies, the administration reserves the right to determine penalties, sanctions, suspensions, probation and dismissal whenever such actions are deemed necessary or appropriate.

HEALTH
It is our policy to have on file information for emergency treatment for each student. This must be renewed each year. Prior arrangements should be made with any person whose name and telephone number are to be called in case of emergency. We also must have on file for each student a completed California School Immunization Record. Parents will be notified of communicable diseases whenever this becomes necessary.

The staff and faculty of the school may not administer any over the counter medications. Prescription medications cannot be administered without written consent from a physician. At no time should a student have any kind of medication in his or her possession, desk or locker. This includes, but is not limited to, everything from Tylenol to cough drops. No medication will be administered by a school staff without the written consent of a physician. The parent is to supply that medication to the school in its original container and labeled with child’s name, along with the appropriate form available in the school office.
Illness
Please do not send a sick child to school. Sick children are unable to concentrate effectively and there is risk of exposing the entire class. Children arriving to school sick will be sent home. Students must be 24 hours without illness symptoms or fever before returning to school.

HOMEWORK
Each student’s homework is assigned for a specific purpose in assuring student success in their educational program. Consequently, homework is a part of each grade level’s academic activities. Students may be assigned homework that fits in one or more of the following categories:
➢ Study skills and work habits
➢ Practice and review of materials that have been learned in the classroom
➢ Preparation for materials that may be presented in future learning
➢ Skill integration applied to a single product such as a report or writing assignment

We are aware that the quality of the homework assignment and the teacher’s response to the homework can serve to enhance the child’s learning experience. Parents should be aware that their role in the homework process is to supplement, not supplant the child’s work. Be supportive but let the child assume the responsibility for the completion of the assignment.

Questions relating to your child’s homework:
➢ First discuss with your child
➢ Next you and your child check for accurate assignments/directions – resources to check for homework: Homework packet, Gradelink, assignment books, call a classmate
➢ Please do not hesitate to contact the teacher and discuss the assignment after taking the above steps
➢ Each teacher’s individual homework policy and procedure will be reviewed with parents at Parent Orientation August/September.

HOMEWORK EXPECTATIONS FOR TK-4TH GRADE
Kindergarten
Homework will be assigned once per week in addition to nightly reading practice.

First through Fourth Grades
Homework will be assigned each night, Monday through Thursday with math practice included each night. Time to complete nightly homework assignments will be appropriate for each grade level.

Make Up Work
When a student is absent, all tests and homework missed will be expected to be completed upon a student’s return. Important assignments as deemed necessary by the teacher may also be required for completion upon a student’s return. Time line for make-up work can be worked out with the teacher.

If a child leaves for vacation, it is often difficult to give work ahead of time due to the nuances of instruction in the classroom. Please discuss with the teacher before departure to create the best plan for making up work that will be missed.
HOMEWORK WILL NOT BE ACCEPTED VIA FAX OR EMAIL UNLESS REQUESTED AND AGREED TO BY THE TEACHER.
All upper division (5-8) parents are expected to check Gradelink weekly to monitor progress.

Gradelink
The School uses an online grading program called Gradelink. Teachers update grades regularly so parents and students should check grades and other communication weekly. If you cannot logon to Gradelink, please check with the school office for your user information.

Standardized Testing
Students in grade 3-8 participate in standardized testing each Spring. Standardized testing is just one of many tools the school uses to assess student progress. The school currently administers ACT Aspire. Results are analyzed by the teachers and used to better inform current teaching practices.

HONOR ROLL REQUIREMENTS
Students in grades 5 – 8 are eligible for Honor Roll each trimester by earning a grade point average of at least a 3.5 without any “N” (Needs improvement) or “U” (Unsatisfactory) citizenship marks.

ACADEMIC STANDING
Any student receiving an unsatisfactory in citizenship, in any class, or a “D” or lower in any academic subject, will not be eligible for the Honor Roll that term. Students may also not be permitted to serve in student government, participate in field trips or special events due to having a D or lower in any subject or because of unsatisfactory citizenship. Students who participate in after school athletics must satisfy the academic standards of the Athletic Code of Conduct.

ACADEMIC PROBATION
The purpose of the probation policy is to assist and encourage the student to improve his/her performance when such is below his/her expected capability. All upper division (5-8) parents are expected to check Gradelink weekly to monitor progress, receive teacher communications and set academic goals.

Students placed on Academic Probation
➢ Any student whose grades are unsatisfactory or indicate that he/she is not working to his/her ability
➢ Any student with less than a 2.0 grade point average and/or unsatisfactory marks in conduct or effort will be placed on academic/behavior probation
➢ A student may become ineligible to participate in classroom and extracurricular activities until he/she holds the grade to a 2.0 and shows improvement in academic performance
➢ During the period of the probation, performance will be closely monitored by the administration
➢ Any student not showing improvement in academic performance, once placed on probation, may be asked to leave the school at the beginning of the next grading period.

ADVISORY
At Ascension Lutheran School, each student in grades 5th-8th will be placed in an Homeroom/Advisory that will meet throughout the week. The advisors are from upper division faculty/staff. The purpose of advisory is:

➢ to foster relationships across grade levels.
➢ to support students by an advisor who acts as an advocate, encourager, and equiper throughout the school year.
➢ to weave together various aspects of learning that intersect with all areas of the curriculum, such as organizational skills, decision-making, leadership and service.
➢ to build character and promote integrity
➢ promote communication and coordination between home and school
➢ to develop bold, compassionate leaders who inspire and serve others.

The guiding verse of Advisory is from the Old Testament prophet Micah, “Do justice, love kindness, and walk humbly.” Through Advisory, we hope to inspire students to live in such a way that leads to fairness, to doing what is good and true and right, to showing great kindness toward fellow students, to exhibiting a sense of humility in all that they do, to having compassion toward people of various social, cultural and economic boundaries.

8th Grade Graduation
Graduation is an important milestone. In order to participate in graduation students must be in good academic standing and have satisfactory citizenship grades in all classes. Families must also be in good financial standing with the school.

Lockers
All students in grades 5-8 are assigned a school lock and locker. Locks and lockers are assigned each year and information is distributed at the Back to School Event held before the beginning of the school year. Students are responsible for keeping their books and materials in their locker and ensuring that their lockers are locked especially at the end of each school day. Students are also responsible for keeping the area around their lockers neat. The school is not responsible for anything lost or stolen due to lockers being left unlocked. The cost of replacement locks is $6.00 if lost or broken. No other locks besides school issued locks may be used at school.

CONFERENCES
Parent conferences are scheduled within the first trimester to inform parents of the student’s academic growth and progress and to promote better understanding and cooperation between home and school. Conferences for Kindergarten- 4th grade are designed to be a time for parent/guardians to meet with the classroom teacher. Fifth grade conferences will be a time for parent/guardian and student to meet with the 5th grade teachers. For grades 6-8, the school has adopted the arena conferencing where the parent and the student move around the arena and sit and talk with each teacher for approximately 6 minutes. It is important for all students in grades 5-8 to attend the conference with their parent/guardian.

If a parent wishes to conference with about their child at any other time, an appointment must be scheduled. Morning drop-off or afternoon pick-up times are not appropriate conference times.
ACADEMIC HONESTY POLICY

Ascension Lutheran School believes that academic honesty requires adherence to ethical principles. Administrators, faculty, student and parents are in partnership to uphold the values of integrity, personal accountability and respect for the rights of others.

Cheating

Cheating is a deliberate attempt to misrepresent another’s work as your own. Honesty is a matter of personal integrity. Ascension Lutheran School has a no tolerance policy for cheating.

Cheating includes, but is not limited to:

➢ unauthorized communicating
➢ copying materials
➢ allowing another student to copy your assignment
➢ allowing another student to copy
➢ using prohibited notes or devices
➢ obtaining prior knowledge of test content
➢ removing or distributing all or part of any test
➢ copying another person’s assignment
➢ plagiarism
➢ submitting a paper or project which is not one’s own work
➢ submitting falsified information for grading purposes

A student found to be cheating will receive a zero on the assignment.

With respect to cheating, the administration reserves the right to determine penalties, sanctions, suspensions, probation and dismissal whenever such actions are deemed necessary or appropriate.

CODE OF CONDUCT

Proverbs 22:6

“Train children the right way, and when old, they will not stray.”

The purpose of the behavior policy at Ascension Lutheran School is consistent with our overall purposes. We seek to educate young people to be Christian citizens of our country and to show glory to God by utilizing their talents to the fullest. We seek to develop a sense of individual responsibility toward the community in which we live and study as we hold our students accountable for their actions.

We recognize that God forgives us and we can learn from our mistakes. As students experience forgiveness, they also experience God’s love and grow in faith. Forgiveness is a cycle that includes consequences as well as commitment to change. Living in the Christian community of Ascension School, we strive to use forgiveness to bring respect for God, others and self.

Teachers have a right to provide instruction without disruption by students; students have the right to learn without distraction by other students. All have the right to be treated with the respect and dignity God affords all of creation.

Student discipline is a combination of positive and negative consequences, along with reteaching, for behaviors that will be in the best interest of the learning process for students, classmates, and the effectiveness of the school. Ascension Lutheran School reviews and modifies its standards for student behaviors as needed.
If a child has a concern with another child at school, the parent must contact the classroom teacher. It is in the best interest of our students if we work through concerns on campus rather than parents working the concern through with other parents outside of school. Also, please note that, while a child is in our charge, any re-direction or concerns regarding a child’s behavior are the responsibility of the school staff. **A parent is never to reprimand or question a child (other than their own) in regards to behavior.** All concerns should be directed to a staff member.

**STUDENT and PARENT CODE OF CONDUCT**

All Ascension Lutheran School students and parents will strive to:

➢ behave as Christ would have us behave

➢ always abide by the Code of Conduct at all school and church functions, on and off campus
➢ know that discriminatory, intimidating conduct or innuendo, sexual comments, and sexual harassment of others will not be tolerated
➢ use only appropriate language (profanity, foul language, degrading comments ("retard") put downs ("so gay") is not tolerated and may warrant suspension from the campus.
➢ respects the authority of the school to address any incident that occurs at school. Parents should share their concerns with the staff and allow the staff to facilitate the follow-up
➢ use technology according to the Acceptable Use Policy

All students will:

➢ follow the directions of teachers and staff (insubordination and refusal to follow directions will not be tolerated)
➢ attend all classes regularly and on time

**STUDENT HARASSMENT POLICY**

Ascension Lutheran School is committed to providing a learning environment based on Christian love and respect that is free from harassment in any form.

**Understanding and Avoiding Harassment**

All students have the right to participate fully in the educational process, free from discrimination and harassment. Harassment is the unwanted and unwelcome behavior from others that interferes with another individual’s life. When it is sexual in nature, it is considered to be “sexual harassment”. When it is racial or religious in nature, it is considered to be “hate-motivated behavior” or in specific circumstances a “hate crime”. The school will not tolerate any form of harassment on the school campus. Disciplinary action will be taken promptly against any student engaging in unlawful acts of sexual harassment or hate violence. Examples of actions that interfere with a person’s education that are prohibited for both students and staff include but are not limited to:

- Unwanted touching
- Sexual innuendoes
- Obscene comments
- Gender specific comments
- Physical threats
- Requests for sexual favors
- Obscene gestures
- Racial-specific comments
- Indecent exposure
- Suggestive looks
- Obscene texting
- Obscene photos

The school is aware that harassment and bullying can also take place through posting on social media, texting and emails. If this off-campus behavior interferes with the teaching and learning during school hours, it will be deemed a school matter and appropriate school rules and discipline will apply. (Posting, texting and emailing are forbidden during school time and events, unless teacher approved.) Harassment can also occur in more subtle ways such as exclusion, note writing, texting, whispering, staring, teasing, or put downs. These behaviors will be addressed with students and a no tolerance policy exists.

Please note that if the harassment behavior occurred off campus and during a non school function, it is the responsibility of the parents alone to address the behavior. **The school will become involved if the behavior interferes with the day-to-day function of the school.**

It is the **student’s** responsibility to:

- Behave in a manner that contributes to a positive school environment
- Not participate in any activity that may be considered discriminatory, intimidating, or harassing
- Immediately inform anyone harassing him or her that the behavior is unwelcome and offensive
- Report all incidents of discrimination or harassment to the principal, teacher, staff and parent
- Discontinue any conduct he or she is perceived as engaging in that is discriminatory, intimidating, harassing or unwelcome conduct

It is the **school's** responsibility to

- Inform students of their rights
- Explain harassment in age appropriate terms
- Investigate any complaints of harassment in a sensitive and confidential manner
- Take appropriate disciplinary action, if necessary, which relates to the nature, context and seriousness of the complaint
It is the **parents’** responsibility to:

- Explain harassment, discrimination and intimidation to their child in an age appropriate manner
- Be informed of their child's rights as they pertain to harassment
- Assist their child in making a report to appropriate personnel

**Severe Misbehavior**

The following instances of misbehavior may be cause for suspension or expulsion without prior notice:

- Possession, use, or selling of illegal drugs, "look alike" substances, or alcohol or drug paraphernalia
- Serious disrespect of authority

- Health and attendance records
- Cumulative scholastic records and grade reports
- Achievement test scores
- Financial records

Each week, there is a large accumulation of unmarked clothing and personal property. The school cannot be responsible for lost personal property. Please clearly mark all clothing, lunch boxes, notebooks, and other personal possessions with the first and last name of the student. Lost items will be located in the designated bin. Unclaimed items will be donated at the end of each trimester. Toys, games, and electronic devices, playground balls and equipment are not to be brought to school.

The confiscated phone will not be returned until a parent retrieves it from the school office. Multiple infractions will lead to the loss of the privilege to bring cell phones on campus.

**Cell Phone Policy for Field Trips**
The cell phone policy for field trips is the same as the policy on school campus unless otherwise given permission by administration.

*If a student must contact a parent they may do so in the school office or from a classroom with teacher permission.*

*Parents should not text or call their student on cell phones or personal devices during school hours. All communication must go through the school office during school hours.*

**CO-CURRICULAR ACTIVITIES FOR PARENTS AND STUDENTS**

**Parent Orientation Night**
A Parent Orientation Night is held each fall immediately after school begins. This is a parent night, children do not attend. This night is an opportunity for parents to acquaint themselves with their child’s teacher/s. On this night the teachers will explain class procedures and expectations for the school year. An opportunity is given for questions and discussion. *This is not a time to discuss individual student concerns.*

**Book Worm & Upper Shelf**
The Bookworm Program (grades TK-4) is a special way for parents to add books to the school library in the name of their child(ren). A selection is made from the Bookworm list and purchased through the school. Please see our school librarian for suggestions on books students would enjoy or books of special interest to your children that are not on the list. The books are presented to the children during Song Celebration and then placed in the library. This is an excellent way to celebrate a birthday, baptism or any special event! The Upper Shelf program provides a way for students in the upper division (Gr. 5-8) to add research materials and books to our library.

**Chapel**
A Chapel service attended by the student body is conducted by a Pastor and an upper division class on Wednesday mornings. Students participate in various ways throughout the year as readers, ushers, acolytes or with special music and skits. Parents and friends are always welcome to worship with us at the Wednesday Chapel service.

**Choir**
Crusader Choir (grades K-4) (TK may join in January) meets once a week, with Ms. Schneider, our first grade teacher. They perform at Chapel and Song Celebration and sometimes at Sunday church. This is a wonderful opportunity to share the gift of music with others.
Christmas & Spring Musicals

All students at Ascension Lutheran School take part in the annual Christmas and spring musicals. Student participation in these programs has traditionally been an integral part of the music program. Student participation is mandatory in order to fulfill the requirement in music. This includes participation in rehearsals and taking part in the final performance. Each student is evaluated on cooperation, quality of participation and performance.

Ascension Lutheran School’s Guidelines for Healthy Food Choices

INTRODUCTION
Ascension Lutheran School is dedicated to providing an environment that promotes healthy eating and enables students to make informed choices about the food they eat at school and throughout life. This will be achieved by taking a whole-school approach to food and nutrition described in this Wellness Policy.
Lunch Program - Choice Lunch
The school offers a 5 day a week lunch program that follows our Guidelines for Healthy Food Choices. Lunches can be ordered on http://choicelunch.com.

Food/Drink Policy
It is our goal to ensure availability of appealing, healthy food options that enable students to comply with recommendations in the U.S. Dietary Guidelines for Americans. This includes fresh fruits, vegetables, whole grains and lean proteins. It is also our commitment to incorporate organic, pesticide-free and hormone-free food and drink whenever available and affordable to the school community.

Food Allergies
Individual care plans are created for students with food allergies. Although Ascension Lutheran School is not a nut-free campus, we are sensitive to students who have nut allergies and will strive to ensure safety for all involved.

Celebrations
Ascension Lutheran School is striving to create a healthier campus. Treats for birthdays and celebrations will be allowed, however, we encourage smaller portion sizes with consideration given to reduced sugar and fat content. Some suggestions include fruit, cheeses, yogurt and whole grain treats.

Parents and room parents will be required to coordinate with the child’s teacher. Approval from the teacher is required prior to bringing food for any classroom event. Teachers are advised to use their discretion when approving treats to ensure they are aligned with the school’s focus on being a healthier campus.
